Invites Community to Open House on July 15**

Billings, MT (June 29, 2023) - Rocky Vista University Montana College of Osteopathic Medicine (RVU-MCOM) is poised to welcome the inaugural class of medical students in July. To celebrate, they are inviting the public to an Open House on **Saturday, July 15, 2023 from 10 a.m. – 2:00 p.m. at 4130 Rocky Vista Way (Shiloh Rd. & Monad Rd.)**

The RVU-MCOM Community Open House is an opportunity for people of all ages to explore the world of medical education through fun and interactive activities. The campus will be open to tours with activity booths stationed throughout, and faculty will be on hand to answer questions. The event will include prizes and food trucks, and the activities are family friendly.

“At Montana College of Osteopathic Medicine, we are guided by our core values and one of those is service,” said Arianne Snyder, Communications Manager. “It is important for us to be rooted in our community and give back to meet our goal of educating physicians who stay, live and take care of patients right here in Montana.”

RVU-MCOM is the first 4-year medical school to open in Montana and offers two degree programs aimed at training physicians, the Doctor of Osteopathic Medicine (DO) and Master of Medical Sciences (MMS). The brand-new 138,000 square foot campus sits on 12.8 acres on the west end of Billings. The building features modern architecture, a well-equipped simulation center, high-tech classrooms for group-based facilitated learning, a large Osteopathic Clinical Skills lab for hands-on demonstration, an anatomy lab with virtual reality capabilities, a gym and yoga studio.

The Montana campus is the 3<sup>rd</sup> for Rocky Vista University. Graduates of their campuses in Colorado and Utah have a reputation of success on nation board exams and in obtaining residency placements.

The 2024 medical school application cycle is open, and those interested in applying can learn more about the requirements and admissions process by visiting [rvu.edu/mcom](http://rvu.edu/mcom).
